FOOD ALLERGY CAUTION!

The safety and satisfaction of our Guests is our highest priority. To help you make more informed choices we created an Allergen Guide with symbols to indicate the presence of allergens in menu items. However, as in all non-dedicated kitchens, there is the possibility of cross-contamination between food items. Occasional variations in recipes or product formulations can also occur and there is risk of cross-contamination of ingredients at the manufacturing site. If your allergy or intolerance is mild, please use this Guide to make your selection. Cara Operations Limited (including its affiliates, partnerships and franchisees) assumes no liability as a result of food related reactions.

For further information, you may contact us directly at 1-877-439-1122.

*All fried products may contain one or all of the allergens identified in the Allergen Guide as fryer oil is a source of cross-contamination.
